

Acupuncture Workshop "Aesthetic & Dermatology" with Mrs. Dr. Radha Thambirajah

Berlin, Germany, Vienna, Austria, Zurich, Switzerland

In this seminar Dr. Thambirajah teaches and demonstrates probate therapy methods in aesthetic acupuncture and dermatology.

Adjuvant methods such as Gua Sha / laser plus hyaluronic acid treatment and cupping e.g. will be integrated in the lecture.

As a special topic Dr. Thambirajah will demonstrate her successful overeating protocol.

All important cosmetic therapies will be covered in practical way under the supervision of Dr. Thambirajah. Thus trained the participant will be qualified to successfully perform the instructed therapy methods.

Mrs. Dr. Thambirajah is the author of "Cosmetic acupuncture" and "Energetic acupuncture". She worked for more than 30 years in the field of acupuncture and trained more than 10.000 therapists.
